W I T E S S E T H

WHEREAS, the City and the FMBA recognize and declare that providing quality fire protection for the City is in their mutual aim; and

WHEREAS, the City has an obligation, pursuant to N.J.S.A. 34:13A-1, et seq., as amended, to negotiate with the **FMBA** as the representatives of employees hereinafter designated with respect to the terms and conditions of employment; and

1 WHEREAS, the parties have reached certain understandings, which they
2 desire to confirm in this Agreement and in consideration of the following mutual
3 covenants, it is hereby agreed as follows:

4 ARTICLE I

5 RECOGNITION

6 1-1. The City hereby recognizes the FMBA as the exclusive and sole
7 representative for collective negotiations concerning the terms and conditions of
8 employment for all sworn fire personnel, excluding Fire Officers, whether on
9 active employment or leave of absence authorized by the City.

10 ARTICLE II

11 NEGOTIATION PROCEDURE

12 2.1. The parties agree to enter into collective negotiations over a
13 successor Agreement in accordance with N.J.S.A. 34:13A-1, et seq. in a good faith

20 parties;

21 2.2. Continuing Review of this Agreement

22 A. Representatives of the City and the FMBA negotiating

1 committee shall meet at least once each month, unless waived by both parties, for

5 B. Each party shall submit to the other, at least three (3) days
6 prior to the meeting, an agenda covering matters they wish to discuss.

7 C. All meetings between the parties shall be regularly

12 both parties.

14 terms and conditions of employment, applicable on the effective date of this
15 Agreement to employees covered by this Agreement, as established by the rules
16 and regulations or policies of the City in force on said date shall continue to be
17 applicable during the term of this Agreement, nor shall this Agreement be
18 interpreted or applied so as to eliminate, reduce or detract from fringe benefits
19 existing prior to its effective date. This Agreement shall, however, supersede any
20 prior written Agreement between the parties covering the same subject matters
21 and any inconsistent written Agreement between the City, the FMBA or an
22 individual employee covered by this Agreement.

1 2.4. The City agrees not to negotiate concerning said employees in the
2 negotiation unit, as defined in Article I of this Agreement, with any organization

6 8-1. In addition to the normal fire duties performed by Firefighters, the
7 FMBA in an effort to improve the effectiveness of the Fire Division and the
8 Department of Public Affairs and Safety, agrees to participate in a Safety Patrol
9 Program. It is expressly understood that the Safety Patrol is not a police
10 function; it is merely an expansion of the normal public safety duties of a
11 Firefighter, that is, protecting lives and property. Members of the Safety Patrol
12 will not be expected to engage in those activities for which they have not been
13 properly trained or equipped. The duties of the Safety Patrol will be as follows:

14 A. Detect and report all fires, smoke, false alarms observed or
15 detected within areas of assignment, paying particular attention to public
16 buildings.

17 B. Respond on calls for the Rescue Squad when requested by
18 the Squad and render immediate first aid whenever necessary.

19 C. Assist the Police Division at accidents or traffic control

10 G. The Safety Patrol will engage in a check of all houses listed
11 on the "vacant house checklist" in its assigned areas during daylight hours.

12 H. The Safety Patrol will seek out and report vehicles that
13 appear to be abandoned.

14 8-2. The Firefighters on Safety Patrol will be required to understand the
15 basics of traffic control and accident investigation so that in the event they are
16 called upon to assist the Police or come upon an accident or traffic control
17 problem while on their tour of duty they will be able to properly turn over the
18 accident investigation and noted information to the Police.

19 The Firefighters on Safety Patrol will be required to complete first aid
20 courses in the area of childbirth and proper method of handling emotionally
21 disturbed persons. They will also be required to know the basic procedures for

1 presentation of testimony in court and the proper methods of filing any reports
2 dealing with criminal activity observed or discovered by them.

3 The Director of Public Affairs and Safety, in consultation with the Chief of
4 Police and the Fire Chief, shall prescribe training to implement carrying out the
5 Safety Patrol functions described above.

6 At all times, except in the case of emergency threatening life, the Safety
7 Patrol shall, upon notification of a fire within the Patrol's assigned area, respond
8 immediately to the fire call.

10 periods:

11 8:30 a.m. to 12:30 p.m.

12 1:30 p.m. to 5:30 p.m.

13 7:30 p.m. to 11:30 p.m.

14 Except where, in the judgment of the Director of Public Affairs and Safety,
15 special public safety conditions for limited periods require additional patrol
16 hours, it is agreed that any change in the basic time schedule as listed above will
17 be discussed with the Executive Committee and agreed upon jointly. No
18 Firefighter will be assigned to a Safety Patrol for more than four (4) hours each
19 day, nor more than a total of eight (8) hours of all types of routine fire duties,
20 except for fire fighting activities and special conditions as set forth above. There
21 shall be a rotating schedule for safety patrol duty and it is further agreed that the
22 overall duties of the safety patrol and all other Fire Division activities and shall

1 be rotated in such a manner as to equalize the workload among all of the
2 members of the Fire Division within the framework of the needs of the fire
3 service. During the life of the contract, there shall be two (2) men assigned to a
4 patrol vehicle at all times. The Fire Chief shall be authorized to cancel safety
5 patrols whenever the needs of the Fire Division so require.

6 8-4. It is clearly understood that the Firefighters assigned to Safety
7 Patrol shall not be trained in the use of firearms and shall not be assigned
8 firearms for use in the patrol vehicle.

9 In addition, the safety patrol vehicles shall carry a Scott Air Pak, a first aid
10 kit, a 2-1/2 gal. pressurized water extinguisher, 2 fire brooms, 2 extinguishers, an
11 axe, a portable spotlight, 2 flashlights, 1 can of shock for use as an animal
12 repellant, and 4 flares. In addition, the Fire Chief may assign additional pieces of
13 fire fighting or fire prevention equipment, if he sees the need for it.

14 8-5. Alternative Duties

15 It is understood that those Firefighters who do not qualify for safety
16 patrol duties or who, with the approval of the Fire Chief after request by the
17 Firefighter, are excused from safety patrol duties, may be trained and assigned as
18 building inspectors during the day time hours. The details of this program will
19 be worked out with the Fire Chief and the members of the Executive
20 Committees.

21 8-6. It is expressly and specifically agreed and understood that by

Firefighters assuming additional duties, including the safety patrol, the City does not intend to change the duties of Firefighters in Title 4 of the New Jersey Statutes, or any other job specifications described in the Department of Personnel Rules and Regulations covering same, except as might be modified by the terms of the Agreement.

ARTICLE IX

CITY'S RIGHTS AND PRIVILEGES

9-1. Management Responsibilities

It is recognized that the management of the City government, the control of its properties and the maintenance of order and safety is solely a responsibility of the City. Accordingly, the City hereby retains and reserves unto itself, without limitations, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitution of the State of New Jersey and of the United States, including, but not limiting the generality of the foregoing, the following rights.

A. The executive management and administrative control of the City government and its properties and facilities, and the activities of the employees.

B. The selection and direction of the work forces, including the right to hire, suspend or discharge for just cause, assign, promote or transfer.

1 The exercise of the foregoing powers, rights, authority, duties or
2 responsibilities of the City, the adoption of policies, rules, regulations and
3 practices in furtherance thereof, and the use of judgement and discretion in
4 connection therewith shall be limited by the specific and expressed terms of this
5 Agreement and then only to the extent such specific and expressed terms hereof
6 are in conformance with the Constitution and laws of New Jersey and of the
7 United States and the Ordinances of the City of Plainfield.

8 Nothing contained herein shall be construed to deny or restrict the City of
9 its rights, responsibilities and authority under R.S. 40A and 11 or any other
10 national, state, county or local laws or ordinances.

11 The City shall have the right to take unilateral action pursuant to federal
12 and/or state statutory mandates, e.g., Commercial Motor Vehicle Safety Act,
13 Drug Free Workplace Act, provided that the City was required by deadlines,
14 extensions for which had been denied, to implement such actions. The FMBA
15 retains the right to challenge such actions pursuant and subject to the Grievance
16 procedure or before PERC, as applicable.

17 **9-2. Maintenance of Operations**

18 The FMBA covenants and agrees that during the term of this Agreement
19 neither the FMBA nor any person acting in its behalf will cause, authorize or
20 support, nor will any of its members take part in any strike (i.e., the concerted
21 failure to report for duty, or concerted willful absence of a Firefighter from his
22 duties of employment), work stoppage, slowdown, walkout or other mass

1 absenteeism against the City. The FMBA agrees that such action would
2 constitute a material breach of this Agreement.

3 In the event of a strike, slowdown, walkout or organized mass
4 absenteeism, it is covenanted and agreed that participation in any such activity
5 by any FMBA member shall be deemed grounds for disciplinary action,
6 including possible termination of employment of such employee or employees.

18 agreement between the City and the FMBA.

19 **Section 7. Specimen Acquisition Procedures**

20 17:7-1. The Staff Services Bureau is the unit of the Fire Division which
21 shall arrange for obtaining a urine sample for the purposes of urinalysis/drug

25 complete a Drug Screening Information Form providing all the information as
26 requested on the form.

1 B. The official monitor shall be responsible for ensuring that all
2 required forms for the specimen acquisition have been accurately and
3 thoroughly completed.

4 C. Prior to submission of the urine sample, the official monitor
5 and the Firefighter shall inspect the specimen bottle to insure that the specimen
6 bottle has not been tampered with. If there is doubt in this regard, the specimen
7 bottle shall be replaced by the official monitor.

8 D. Urine samples will be processed in accordance with
9 accepted chain of evidence procedures. Throughout the acquisition process, the
10 identity of the Firefighter shall be preserved through the use of the social security
11 number in lieu of the person's name on all forms submitted to the laboratory
12 with the urine sample.

13 E. The Firefighter shall complete all information requested on
14 the specimen bottle label and on the laboratory chain of custody form.

15 F. After the official monitor has inspected the information for
16 accuracy, the Firefighter shall void at least 50 milliliters of urine into the
17 specimen bottle.

18 G. The Firefighter shall void the urine sample in the presence of
19 the official monitor in a recognized rest room in Fire Headquarters or at the
20 testing contractor's place of business.

21 H. After collection, the Firefighter shall make sure the lid is
22 tight.

1 I. The official monitor shall then seal the bottle with
2 "confidentially" tape in the presence of the person giving the sample. The tape
3 shall be applied across the top of the bottle and down the sides so as not to
4 obscure the label.

5 J. The Firefighter will then initial the tape once it is in place.

6 K. The official monitor will now mark the appropriate box on
7 the chain of custody form and sign in the space provided, attesting that proper
8 procedure was observed in collection and sealing of the sample.

9 L. The sealed specimen bottle and the original of the request
10 form will now be placed in the chain of custody bag and the bag sealed.

11 M. The second copy of the form will then be folded and placed
12 in the outside pocket of the bag.

13 17:7-3. Samples may only be taken at a recognized restroom within Fire
14 Division Headquarters or at the testing contractor's place of business. If the
15 sample is to be obtained at the testing contractor's place of business, the
16 employee shall be escorted to that location by a member of the Staff Services
17 Bureau.

18 17:7-4. The only person who will be in attendance during the sampling
19 process shall be a monitor who is of the same sex as the employee/applicant
20 contributing the sample, and, if necessary, a sworn member of the Staff Services
21 Bureau, who shall also be of the same sex as the employee/applicant
22 contributing the sample.

1 17:7-5. The contractor shall be responsible for the chain of custody of the
2 sample and for all necessary transportation of the sample to the designated
3 testing facility.

4 17:7-6. In the event that an original sample is in any way contaminated or
5 proves to be of insufficient quantity for complete testing, that employee may be
6 requested to provide another sample, either as a member of a subsequent group
7 test or individually.

8 17:7-7. In the case of permanently appointed Firefighters, at the time that
9 a urine sample is provided the employee may request that a second sample be
10 taken for storage and possible future challenge.

11 A. The second sample shall be provided at the same time the
12 first sample is taken.

13 B. The same security and chain of custody procedures used on
14 the first sample will be used on the second.

15 C. The secured second sample will be stored with the
16 contractor in a frozen state for up to one year after a positive test.

17 **Section 8. Specimen Results**

18 17:8-1. The contractor shall communicate all laboratory analysis results to
19 the Director of Public Affairs and Safety or the Fire Chief via certified copy of the
20 final results in an appropriate mailer or envelope marked confidential. The final
21 results will be reviewed by the Director of Public Affairs and Safety and the Fire

1 Chief. Each employee, upon whom a final result has been rendered, shall be
2 notified of such result by the Chief, or his designee.

3 17:8-2. Final laboratory results indicating a positive or negative result of
4 the urinalysis/drug screening may be reviewed and/or a copy obtained by the
5 employee who contributed that specific sample, if the employee submits a
6 request in writing through the chain of command within five (5) working days of
7 notification or receipt of the final results by the Fire Chief.

8 17:8-3. In the case where secondary urine sample were taken, and the
9 primary sample test proves negative, the secondary sample will be discarded.

10 17:8-4. Whenever any sample results in a final laboratory test which is
11 positive for the presence of an illegal or controlled dangerous substance included
12 on the schedule of drugs:

13 A. The employee shall be notified as soon as practical, in
14 person by the Fire Chief or, in his absence, the on-duty Deputy Chief, and as soon
15 as possible thereafter, in writing, advising the employee of the results of the test.

16 B. It shall be at this time that the employee will have an
17 opportunity to state if there are any medical reasons why certain drugs were
18 found in his system. Medical proof shall be in a form designated by the Fire
19 Chief, and shall be presented in his office by the time specified by the Chief.

20 C. Instances of positively confirmed illegal substances in
21 the specimen may be discussed with the physician of the City of Plainfield.

22 **Section 9. Employee Challenge**

1 17:9-1. An employee who provided a secondary urine sample may
2 challenge the results of any positive test result by making written application to
3 the Director of Public Affairs and Safety, through the chain of command, within
4 ten (10) working days after being notified of the positive test results. An
5 employee who challenges the results shall:

6 A. Make arrangements for the testing of the secondary urine
7 sample by the GC/Ms method of screening and confirmation with the Fire
8 Division's contractor.

9 B. The employee shall accompany or provide an agent acting
10 on their behalf to accompany a member of the Staff Services Bureau to the testing
11 firm contracted by the Plainfield Fire Division. All cost incurred shall be borne
12 by the employee concerned unless the second sample shall prove negative, in
13 which event the City shall bear the cost incurred.

14 C. The employee shall ensure that the testing firm provides a
15 certified copy of the test results directly to the Director of Public Affairs and
16 Safety and/or the Fire Chief.

17 D. Any scheduled disciplinary proceeding shall be postponed
18 until the results of the urinalysis/drug screening performed by the testing firm
19 and are received by the Director of Public Affairs and Safety and/or the Fire
20 Chief. In the event the second sample proves negative, disciplinary proceedings
21 shall be terminated and the results of the positive test shall be expunged from the
22 employee's file.

1 E. Unless the employee conforms to the procedure as outlined
2 in Section 9 of this order, the secondary test results will not be accepted by the
3 City of Plainfield for the Fire Division.

4 Section 10. Continuation of Health Benefits.

5 In the event an employee is terminated as a result of a positive drug
6 screening, so as not to interfere with the employee's rehabilitation treatment, the
7 City agrees to continue the employee's health benefit coverage for a period of
8 sixty days following the effective date of termination.
